

Poster Contest

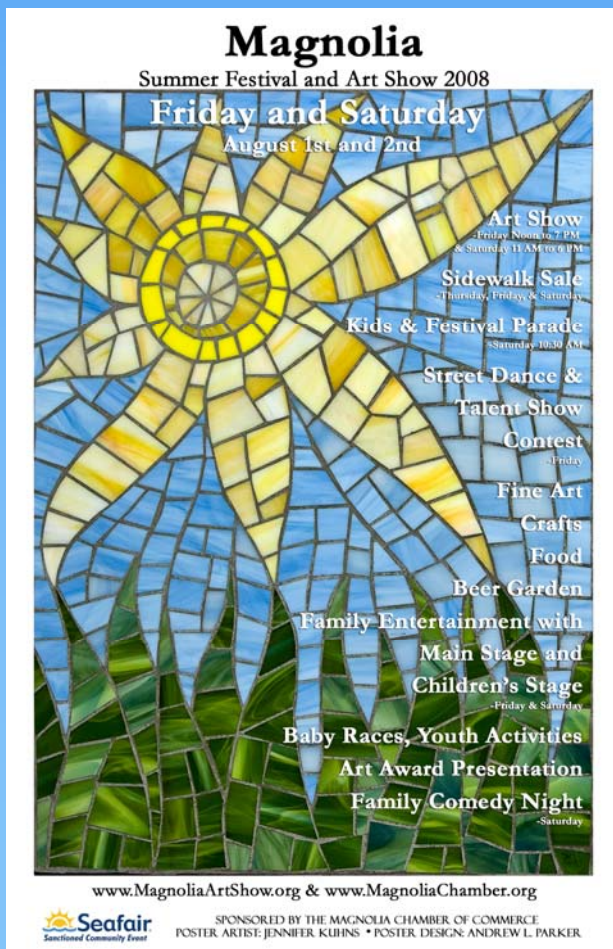

Deadline May 8, 2009

The Annual Magnolia Summer Festival and Art Show, which is held the first weekend in August, has become a well known tradition in the community. A part of the festival is the poster contest. In the past festival posters have often been worthy of framing. Again this year, artists are invited to submit art work to grace our festival poster, postcard and the cover of our festival program.

www.MagnoliaArtShow.org

Artists are invited to submit a piece of artwork or design around the theme of *Summer in Magnolia*. The media can be photo, watercolor, oil, and mixed media. The finished poster will be 11 x 17 inches, in color, and contain information about the festival.
